

Jigsaw Research Expert Group #3

1. Visit the Texas State Library and Archives website:
<http://www.tsl.state.tx.us/index.html>
2. Click on the yellow tab at the top: Services to Librarians
3. Click on Texas Libraries
4. Click on School Librarians
5. Click on [2004 School Library Programs: Standards and Guidelines for Texas](#)
6. You may look at it in either Word format or in PDF. Once you have decided, give it time to load on your computer.
7. After *briefly* scanning the introduction (p. 1-6) you will see that there are 6 standards. Your group will read and discuss
*****Standard III. Learner-Centered Technology and Information Access -- Strategies for Librarians (chart on pages 15-19)*****
8. You will each be reporting the important information back to your original group. You may choose to:
 - a. summarize the information
 - b. report the 3 or 4 main ideas with supporting statements
 - c. construct a concept web
 - d. use any reporting method that will enable your original group members to understand the information

Note: If you choose to make visual aids, there are chart paper and markers

If you have any questions, please ask the facilitators.
